How do I create a scratch account?

- Access a browser (Chrome, Mozilla, Firefox, etc.).
- click on the link or the image below: <u>https://scratch.mit.edu/</u>

- The Scratch homepage will open
- Click on "Join the Scratch community" in the top right-hand corner

1ST FRAME

REALE			
	Join Scratch Create projects, share ideas, make friends. It's free! Create a username	Don't use your real name	
	Create a password Password Type password again Show password		
	Next		

- Enter the first info (REMEMBER TO WRITE THE CREDENTIALS ON YOUR COMPUTER, NOTES OR A NOTEBOOK)

- in the username field enter an invented name (examples: batman13, ZaRa222, maria222)

2nd FRAME

++ +* (· * +.*	
What country live in Select country	do you ?	
Next		

- Select the country (if you select "Italy", the instructions will be in Italian)

3rd FRAME

(Lettanet)		
	When were you born? Month Year We will keep this information private.	
	Next	

– select the month and the year in which the student was born (you could choose a fake date, like
 February 2020, and it will reject it; however, I would suggest selecting the correct date as if you need to prove ownership of the account, you might not remember.)

CERATER	
	What's your gender? Scratch welcomes people of all genders.
	C Female
	Male
	O Non-binary
	Another gender:
	Prefer not to say
	We will keep this information private.
	Next

- select the gender

5th FRAME

(Cathana)		
	What's your email? Email address We will keep this information private.	
	By creating an account, you acknowledge the <u>Privacy Policy</u> and you accept and agree to the <u>Terms of Use</u> .	
	Create Your Account	

– add an email address

- use the student's email address, the one provided by the school to the student or the parent's email address (...@myise.cloud)

- it is unnecessary to consent to receiving updates from the scratch team.

6th FRAME

you have created your scratch account

LAST IMPORTANT STEP

- you will receive an email
- if you cannot find it, check if it is in the SPAM folder or reload the website

📃 🖉 🔁 📩 🔌 🔊
Welcome to Scratch,
With Scratch, you can program your own interactive stories, games, and animations—and share your creations with others in the community.
